Word on Campus

"I have given them the glory that you gave me, that they may be one as we are one. I in them and you in me. May they be brought to complete unity to let the world know that you sent me and have loved them even as you have loved me." John 17:22, 23

Unity between fellow believers has become an even greater priority for us in Berkeley as we work together with other Christian groups on campus. In fact we have recently been approached by the Christian student affiliation for membership. Unity in Christ is important if we ever hope to get anything accomplished together on campus. We need one another in the body of Christ. Unity is also important as a witness for unbelievers. But the greatest reason for working hard at unity among fellow Christians is because Jesus prayed for it and then laid down His life that we might be one with Him, the Father and one another.
